

YakHawaii will be introducing a *Members Only* section showcasing "How To" videos and articles surrounding kayak fishing. The videos in the *Members Only*

section will be hosted on our own server and not posted on YouTube nor any other social media hosting website. Only registered members of YakHawaii will have access to this content. Look for this section to begin May 5, 2010 (Cinco de Mayo) with a special video on... you'll find out soon!

So for all you guests that have not joined, please take the time to " create an account." For members of YakHawaii that want to view this special section, you must login

to get access. Thank you for your support and we look forward to having a great website. This is just the beginning YakHawaii members! {mos fb discuss:5}
