

**Mark Joslin (Maui Mark) is the "Angler of the Month" for KFM**

The latest issue of Kayak Fishing Magazine is now online for viewing. Registration is required to subscribe to KFM. This month they feature Maui Mark, one of our members as their "Angler of the Month" and provide other offerings in their magazine. Included in this issue is an interview with Jason Stock, plus an article on "How to Organize a Kayak Fishing Event." I enjoyed the article "Take Better Kayak Fishing Pictures" and their reviews on kayaks and other products.

Take a peek and read about Maui Mark by visiting [Kayak Fishing Magazine](#) .
